

To Potential Partner:

For the last 10 years, West Rowan Middle School has sponsored events and made donations to help various worthy causes within our Tarheel State. Three years ago, our North Carolina Student Council and its local chapters discovered the importance of supporting the late Adam Petty's Victory Junction. It has evolved into NCASC's (North Carolina Association of Student Council) yearly service project that each member council supports throughout North Carolina.

We are excited to announce the **Inaugural Victory Junction Bulldog Open** sponsored by the West Rowan Middle School Student Council. This tournament is scheduled for Saturday, April 28, 2012 at Warrior Golf Club in China Grove.

Victory Junction is a non-profit organization dedicated to serving children with chronic medical conditions and serious illnesses such as Autism, Cancer, Diabetes, Hemophilia, Sickle Cell and Spina Bifida. Since 2004, Victory Junction has enriched the lives of over 14,000 children. With a cost of \$2,500 per child, donations are the only way they can provide wonderful experiences with no cost to the families. For further information about Victory Junction, visit: www.victoryjunction.org.

West Rowan Middle School's Student Council is proud to sponsor this inaugural tournament to raise funds for such an important cause. Our previous ventures have raised impressive amounts for the Victory Junction facility; however, our ambitions are much higher. Other than operating costs, we hope to send a substantial increase in our annual donation.

I'm reaching out to you to ask for your help in accomplishing this goal by participating, sponsoring, and/or contributing an item for our awards. The smiles you will provide will be invaluable.

Enclosed you will find a Event Agenda, Participation Form, Sponsorship Form, and a Donation Form. We thank you for your consideration and support of Victory Junction and the West Rowan Middle School Student Council.

Best Regards,

Holly Brumley
